MEMORANDUM FOR THE DIRECTOR FOR FORCE PLANNING,
DEFENCE PLANNING AND POLICY DIVISION, INTERNATIONAL STAFF

SUBJECT: Annual Report to the Council on the Strength of Forces - for
Common Defence - in the Area of Allied Command Europe

Reference: FDP/69/65, 6 Aug 69

Pursuant to the request contained in reference, the draft Report on the
Personnel Strength of the Forces maintained under national command - for common
defence - in the area of Allied Command Europe has been reviewed by the
International Military Staff. The International Military Staff has no suggestions
for change to the draft document itself, and recommends that paragraph 8 thereto,
which has been reserved for comments by the IMS, be worded essentially as follows:

"8. The present report has been submitted to the International Military
Staff which recommends that certain combat units currently maintained under
national command for common defence should be assigned or earmarked to NATO.
Where applicable, the request for assignment or earmarking of such units has
been included in the ACE Force Proposals, 1971-75."
