23 July 1969

MEMORANDUM FOR THE MEMBERS OF THE MILITARY COMMITTEE

SUBJECT: Physical Facilities Supported by SHAPE for Controlled Humidity Storage

- References:
- a. SHAPE 6430/18-5-269/69, 2 Jul 69
 - b. SHAPE 6100/18-8-61/68, Mar 68 (Slice 18)
 - c. SHAPE 6100.20/18, Nov 68 (Slice 20)

1. By reference a, SHAPE forwarded for your approval the revised final draft of the Physical Facilities Supported by SHAPE for Controlled Humidity Storage.
2. It should be noted that there is no approved category for controlled Humidity Storage and that inclusion of projects of this type in a particular Infrastructure Slice is on a case by case basis. Serial 187, reference b, was included in the programme on this basis. Serial 120A, reference c, is a similar project recommended by SHAPE for inclusion in Slice 20. It should also be noted that the title of Serial 120A will be changed from "Prepositioned Equipment Storage Facility" to "Controlled Humidity Storage for Prepositioned Equipment" for uniformity.
3. It is recommended that the Military Committee endorse the criteria and standards set forth in reference a and recommend approval by the DPC. A draft
