Dear Mr Chairman,

We have been advised by the United Kingdom security authorities that according to a confidential and usually reliable source, the Youth Committee for Nuclear Disarmament/Youth Against the Bomb organisations plan to stage demonstrations at a number of places in South East Scotland over the Easter week-end, some 200 supporters taking part.

2. While apparently the NATO Communications Centre at Pitreavy does not as yet feature in the list of places at which demonstrations are proposed, there remains the possibility that this Centre will be included.

3. The United Kingdom security authorities have asked the Ministry of Defence to let the NATO Communications Centre at Pitreavy know that there is this possibility of a demonstration. We have been asked to bear in mind that there is need for source protection and we pass on this warning to you should you wish to use this information.

Yours sincerely,

Dennis A.Flinn.

The Chairman,
Standing Group Security Committee,
Washington, D.C.,
