MEMORANDUM FOR THE GREEK MILITARY REPRESENTATIVE

SUBJECT: Greek Requirements for ACP 134 (A), Change 2

Reference: HNDGS msg GS 1494 FN 3102 of 9 Sep 60

1. The United States, as the distributing agency for ACPs required by Greece, has investigated the facts surrounding the shipment of copies of Change 2 to ACP 134 (A) to Greece, and has arrived at the conclusion that all of the copies required by Greece were shipped. However, since the contents of the packages containing the copies were unclassified, the United States is unable to trace the specific packages involved.

2. In view of the period of time that has elapsed since the origination of the reference, the United States asks to be informed whether the missing copies of Change 2 to ACP 134 (A) have now been received by Greece. If your reply states that the missing copies have not been received by Greece, the United States indicates that an additional shipment of 26 copies of Change 2 to ACP 134 (A) will be made.

3. This memorandum is effective until 31 December 1960 unless rescinded or superseded at an earlier date.
