Reference LOSTAN 1479.

Have just seen STAND 1340. I believe it would be very useful for you to be able to indicate SGNS tentative and preliminary thinking as contained in STAND 1340 at special private meeting of council at 1530 hours Monday 21 November cited in reference. This whole question is still very fluid as regards council decisions and I believe real but probably fleeting opportunity will exist on Monday for you influence council thinking and action before such crystalizes further. Therefore recommend you consider asking SGN if it would be possible for you indicate on tentative basis the general themes of STAND 1340.
