NATO SECURITY COMMITTEE

MICROFILMING OF NATO AND COSMIC DOCUMENTS

Reference: Document AC/35-R/18, paragraph 8(1)

Note by the Norwegian Delegation

The following practice is followed in the Norwegian Central Registry with regard to microfilms:

- (1) The projection of films is supervised by a specially appointed official.
- (2) The film rolls must not be taken outside the Registry premises
- (3) Reproduced copies of single documents may on request be sent outside the Registry provided the regulations in CM(55)15(Final) are followed.
