MEMORANDUM FOR MILITARY REPRESENTATIVE OF BELGIUM, DENMARK, ITALY,
NETHERLANDS, NORWAY, AND PORTUGAL

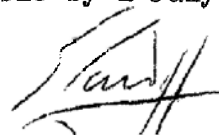

SUBJECT : Allied Naval Maneuvering Instructions (ATP-1)

REFERENCE : SGM-789-51

The Standing Group has been advised that certain editorial changes are being made to the printed English language version of the first eight chapters of Allied Naval Maneuvering Instructions, ATP-1. These changes do not alter the sense of the document, but it will not exactly correspond to the advance copies furnished for study in connection with the reference.

In order that the various language printings of ATP-1 will correspond, it is suggested that the Member Nations delay the printing of ATP-1 until the printed English language version is available. It is expected that these will be available by 1 July 1951.
