MEMORANDUM FOR THE MILITARY STANDARDIZATION AGENCY

SUBJECT: Future of Hydrographic Studies

Reference: MSA(Navy)(51)9

1. The Standing Group offers no objection to the Naval Board of the Military Standardization Agency considering subjects in the field of maps and charts (for use in naval operations) that may be brought before the Board.

2. It is recommended that the three Boards coordinate on subjects in this field, prior to establishing working parties or nominating a custodian, to prevent duplication.

3. In reference to MSA(Navy)(51)7, the Standing Group has these matters under consideration and a reply should be forthcoming in the near future.
