Groupe Permanent

SGM-1578-51

27 September 1951

MEMORANDUM FOR THE MILITARY REPRESENTATIVES TO STANDING GROUP OF
BELGIUM, DENMARK, ITALY, NETHERLANDS, NORWAY, AND
PORTUGAL

SUBJECT: Allied Naval Maneuvering Instructions (ATP-1)

Reference: SGM-849-51

1. The reference advised that certain editorial changes were being made in the first eight chapters of the Allied Naval Maneuvering Instructions, ATP-1, transmitted by SGM-789-51, and suggested that foreign language printing of this publication be delayed until the printed English language version was available.
2. A very limited number of advance printed copies of these first eight chapters is now available and one copy is furnished herewith.
3. It is requested that the Standing Group be advised as to whether your nation will adopt these first eight chapters of ATP-1 and as to when they can be made effective.
4. It is expected that printed copies of the remaining chapters will be available about 1 December 1951.
