MEMORANDUM FOR THE MILITARY REPRESENTATIVES

IMS Control N° ..... 2058.....

SUBJECT: Intelligence Estimate

References: a. S.G. 176  
b. SGM-2114-51

1. The Intelligence Estimate (S.G. 176/1) is S.G. 176 revised in the light of comments submitted by the National Staffs, as requested by SGM-2114-51. Every effort has been made to integrate these comments into the Estimate and it is believed that the Estimate does reflect the opinions of the National Staffs of the NATO nations. Some national comments were received too late to be incorporated in this issue of the Estimate (S.G. 176/1). Since the Estimate is to be reviewed periodically to keep it current, those comments received too late to be considered for this issue will be considered at the time of the next revision.

2. The Standing Group has approved S.G. 176/1.

3. It is recommended that:

a. The Military Representatives Committee concur in the Standing Group approval of the Estimate (S.G. 176/1).

b. National Staffs deliver to the Standing Group not later than 1 June 1952, new and/or additional intelligence which they desire to be considered for inclusion in the next issue of the Estimate.
