MEMORANDUM FOR THE MILITARY REPRESENTATIVES

SUBJECT: NATO Organization Chart

1. The attached chart is submitted to the Military Representatives for consideration. If approved, this chart will then be released to other NATO agencies and to the NATO Information Service.

2. It is realized that the chart does not show the organization of the Permanent Council as it will exist when the Secretary General's office has been set up. However, there is an immediate need for this chart and it is planned to revise it as soon as the Permanent Council organization is known.
