MEMORANDUM FOR THE MILITARY REPRESENTATIVES

SUBJECT: SACEUR Command Organization

1. Military Representatives will see in the press on 28 February, an announcement by SHAPE concerning proposals for a reorganization of command in Central Europe. The Standing Group was informed on 27 February of the intention to make this announcement which was occasioned by the fact that a leakage on the subject had previously occurred in the press.

2. These proposals have been received by the Standing Group but national guidance from the Chiefs of Staff of Standing Group nations is still awaited. Pending receipt of guidance, the documents are being held within the Standing Group.

3. The proposals will be distributed to Military Representatives as soon as the Standing Group has developed its position on them.
