MEMORANDUM FOR THE ITALIAN MILITARY REPRESENTATIVE

SUBJECT: Proposed Changes to ACP 102(B)

Reference: Italian MR ltr 0024 of 26 Oct 55

1. The reference requested that the following be added to ACP 102(B):

Intendenza Nord-Est, Verona O F M P

2. A literal translation of the designation "Intendenza Nord-Est, Verona", corroborated by the Italian Military Mission, was given as "Logistical Command of COMLANDSOUTH, Verona".

3. As a result of the foregoing, the custodian of address group communications publications allocated another address group from ACP 104(A) because it appeared that the command for which the address group was requested was a NATO command, not an Italian Army Command.

4. It is believed that the intent of the reference was to obtain promulgation of the address group OFMP to an Italian Army command. Accordingly, if our understanding of your intent is correct, it is requested that we be furnished a more precise translation of the designation "Intendenza Nord-Est, Verona".
