CONFIDENTIAL - NATO COPY NO. 1

1291

NORTH ATLANTIC MILITARY COMMITTEE

COMITE MILITAIRE DE L'ATLANTIQUE NORD

Standing Group Groupe Permanent

SGM-359-56

18 May 1956

MEMORANDUM FOR THE SUPREME ALLIED COMMANDER EUROPE
THE SUPREME ALLIED COMMANDER ATLANTIC
THE CHANNEL COMMITTEE

SUBJECT: Temperature and Humidity Rates for NATO War Headquarters Installations

References: a. SHAPE AG 6123/12/E-437/54 LOG dtd 2 Jul 54
b. STAND 874 dtd 21 Oct 54

1. The proposals contained in reference a, as amended by reference b, were submitted to the Military Representatives in October 1954 for approval or comments.

2. All the national replies have been received but comments are so widely divergent that the Standing Group has found it impossible to reconcile them and to recommend NATO-wide standards for temperature and humidity rates in War Headquarters.

393

3. You are therefore invited to deal, in each particular case, with the host nation concerned, in conjunction with the International Staff and, in doing so, to take into account the local geographic and climatic conditions of the site, as well as the standards usually employed by the host nation for similar facilities and the necessity for austerity.

FOR THE STANDING GROUP:

K. G. COMERFORD-GREEN
Lt Colonel, British Army
Assistant Secretary

DIST: A C D4 G1-3
