MEMORANDUM FOR THE MINISTRY OF DEFENSE, LISBON, PORTUGAL

SUBJECT: Security Examination of Central COSMIC Registry and sub-Registries in Portugal.

Reference: STAND 1481

1. In accordance with reference, the Standing Group Security Committee carried out an examination of the COSMIC Central Registry and the three service sub-registries in Portugal on 15 and 16 May 1956, and verified that the security procedures and practices were in accordance with CM(55)15(Final).

2. The ever increasing number of documents to be protected was of some concern to the Chief of Security, and the Standing Group Security Committee took this occasion to recommend that the Portuguese Staff look into the merits of micro-filming as a possible solution.
