MEMORANDUM FOR THE CHAIRMAN, EUROPEAN COMMUNICATIONS SECURITY AGENCY

SUBJECT: One-Time Tape Production

- References: a. ECSA Serial 993 of 26 Sep 56
- b. SGM-850-56
- c. DACAN Serial 8 of 1 Mar 57
- d. SECAN Memorandum No. 2

1. The enclosure to reference a has been reviewed. In some respects the information contained in the paper has been overtaken by events since it was prepared.

2. Standing Group policy on production of one-time tapes is contained in references b, c and d. Information on equipment is disseminated by the Standing Group only to the nation which has submitted that equipment for evaluation and, if the equipment is approved, to the Supreme Commanders. Any nation which desires information about a particular equipment should apply directly to the nation which has developed and produced that equipment. Any other information or guidance on production of one-time tapes can be obtained from SECAN on request. It is not considered desirable at this time for either the Standing Group or ECSA to promulgate to all NATO authorities further information on this subject.
