MEMORANDUM FOR THE CHAIRMAN, EUROPEAN NAVAL COMMUNICATIONS AGENCY

SUBJECT: Authentication Systems

- References: a. AMSP 248, Instructions for Use of Naval and Maritime Air Authentication System
- b. SGM-319-58

1. Reference a, paragraph 107, prescribed self-authentication for aircraft in certain situations as a form of recognition and identification. In reference b, it is stated that the use of self-authentication with AMSP 248(A) cannot be authorized.

2. The intent of reference b was to limit self-authentication to the use stated in paragraph 107. Any further use of self-authentication cannot be authorized.

3. Continuing efforts are being made to develop a more satisfactory authentication system for NATO-wide usage.
