MEMORANDUM FOR THE DANISH MILITARY REPRESENTATIVE

SUBJECT: Quarterly Progress Reports on Commonly
Financed Infrastructure Projects

Reference: Danish Mil Rep Ltr No.8-8/3/1-132, 19 Feb 59

1. The Standing Group, in conjunction with Supreme Commanders, has investigated the referenced proposal that infrastructure progress reports should be submitted in the future bi-annually instead of quarterly as at present. In spite of the administrative burden involved, the Standing Group considers that the reports should continue to be submitted for the time being on a quarterly basis. However, both SACEUR and SACLANT are reviewing the question of format and frequency of these reports and their recommendations are awaited.

2. Your interest in this matter is appreciated and you will be informed promptly of any Standing Group action in the future which changes either the frequency of submission or the format of the report.
