MEMORANDUM FOR THE SECRETARY OF DEFENSE, WASHINGTON 25, DC

SUBJECT: Inspection of the United States Central Registry

Reference: C-M(55)15(Final), 31 October 1958

1. Paragraph 5, Section I, Enclosure "C" to reference sets forth Standing Group Security Committee responsibility for periodic inspection of security arrangements for the protection of NATO classified information within international and national military commands and agencies.

2. The Standing Group proposes that the Security Committee inspect the United States Central Registry on 9 November 1959.

3. It is requested that you inform the Standing Group whether this date is acceptable.
