

Press Release (95)46

22 May 1995

1995 PARTNERSHIP FOR PEACE EXERCISES

During 1995 NATO will conduct about 11 Partnership for Peace military exercises, compared to the 3 conducted last autumn in the first year of the partnership. Land exercises are planned in several Partner and Allied countries, including for the first time in North America. A number of air and sea exercises are also scheduled. The training will continue to emphasise peacekeeping, humanitarian operations and search and rescue.
