CONFIDENTIALDOCUMENT :AC/6-D/413th July, 1951WORKING GROUP ON NATO SECURITYCORRIGENDUM TO :DOCUMENT : SG 7/4

Enclosure "E" to Document SG 7/4 was circulated 29th June, 1951 to members of the Working Group on NATO Security for information (Document: AC/6-D/4).

By decision of the Standing Group (SGM-1052-51, dated 3rd July 1951), paragraph d of SG 7/4 has been amended as follows:

"One of the countries visited expressed some dissatisfaction with the fact that the Security Co-ordinating Committee, while required by its duties to make certain examinations into matters under civilian control, includes no civilian representation. While the Committee are of the opinion that the addition of civilian members is neither practicable nor necessary, they consider that it is of the highest importance that there should be a close liaison between the military and civilian heads of security of the various countries. It is recommended that the Council Deputies consider this problem."
