

NORTH ATLANTIC COUNCIL DEPUTIES

RESTRICTED

C7.Del. Notice No.4
6th September, 1951.

CLOTHING FOR NORTH ATLANTIC COUNCIL MEETING
IN OTTAWA

The Canadian authorities advise that the weather in Ottawa in September is normally warm and sunny by day, but tends to turn cold at night, and for this reason it is desirable to take warm outer clothing.

The Canadian authorities have also advised that dinner jackets will be required for official receptions.
