SUMMARY RECORD AC/16-R/3

Item II, paragraph 14

Add:

"General Alippi added that Italy on her side was assisting United Kingdom production by supplying certain special components and tools. He hoped that, in return, the United Kingdom would make every effort to meet Italy's needs, and stressed the necessity of close collaboration between the two countries. The United Kingdom Representative agreed that such collaboration was desirable, but indicated that at the present moment there were serious supply difficulties in the United Kingdom".

Paragraph 18

Add:

"subject to finance being made available".

Paragraph 19

Delete last three words of paragraph: "by the United States", and replace by: "of United States design".
