REPORT BY THE CIVIL DEFENCE COMMITTEE TO THE
SENIOR COMMITTEE ON HIGH PRIORITY GOALS

At its January meeting the Senior Committee agreed upon certain minor amendments to the report of the Civil Defence Committee.

2. English text, page 7, paragraph 11, third line:

The word "defence" before "budgets" should go out.

French text, page 8, paragraph 11, third and fourth line:

Les mots "de défense" après "budgets" doivent être supprimés.

French text, paragraph 15, fourth and fifth line:

Remplacer les mots "la priorité" par "une haute priorité".

The English text remains as it was.

English text, paragraph 30, sub-paragraph (5):

The present text is to be replaced by the following one:

"endorse the need for the creation of a well-trained mobile force....." etc.

Please replace "mobile reserve" by "mobile force" throughout the text of the document.

French text: I think you may wish to check with Mr. Rudler whether the French text of paragraph 30, sub-paragraph (5) should be amended accordingly.

Paragraph 74, English text, page 16, fourth line:

Replace the words "have been initiated" by "are to be initiated".

Paragraph 74, French text:

Remplacer les mots "ont été entamées" par "vont être entamées".
