Private Meeting on Wednesday, 23rd March

I suggest that we should, as we agreed, discuss further, at a private meeting after the normal meeting of the Council, the question of the re-organization of the NATO Security Bureau* including its composition and functions together with the names of any potential candidates.

2. Members of the Council are also giving me the pleasure of their company at luncheon that day so that any other matters which may occur to Permanent Representatives can be discussed at the private meeting, or at luncheon, as may be most appropriate.
