MILITARY BUDGET COMMITTEE : DOCUMENTS

Further to my memorandum of 11th August 1953 (RDC/438/53) it has been found advisable to initiate a separate document series for those documents of the Committee which have a limited interest and which therefore do not warrant more than a very restricted distribution.

2. I should be grateful, therefore, if you would inform those concerned in your delegation that, in addition to Summary Records (MBC-R series) and agenda notices (MBC-A series), there will in future be two series of Military Budget Committee documents:

MBC-D series - for all major documents of the Committee, with a full distribution, as hitherto. A copy or copies of these documents should be passed without delay to the delegation's representative or representatives on the Committee, as requested in my memorandum of 11th August;

MBC-M series - for minor memoranda which are of interest mainly to members of the Committee. Each delegation will be provided with three copies of these memoranda, of which one or two copies (according to need) should be passed without delay to the delegation's representative or representatives on the Committee.

(Signed) R.D. COLERIDGE
