Assistant Secretary General for Economics and Finance
Director of Information
Director of Statistics
Financial Controller

cc. Head of Security Bureau
Head of Conference Services
Head of General Services
All Secretaries of Committees
SG-10

From: Executive Secretary

A meeting of Parliamentarians from NATO countries will be taking place in the Palais de Chaillot from 17th to 22nd July. They will number some 250 representatives and will probably require all available facilities both in terms of conference rooms and conference services available to NATO.

2. In these circumstances the Secretary General has ruled that no meetings of committees or working groups of the Council shall take place during this period.

3. I should be grateful if Assistant Secretaries General and Heads of independent offices would instruct secretaries of committees or working groups for whom they are responsible accordingly. Secretaries of committees or working groups for whom I am responsible will similarly ensure that no meetings are arranged during this period and will postpone any meetings already scheduled.
