Delegations are hereby informed that the Secretary General, on 27th July, received from the Luxembourg Permanent Representative a letter on this question, identical to those he has received on the same subject from the Permanent Representatives of Belgium, the Federal Republic of Germany, and Italy; the French Permanent Representative has already given this matter his full support.

2. Furthermore, the Assistant Permanent Representative of the Netherlands has informed the Executive Secretary that his Government, while in favour of calling a meeting as soon as possible of the Committee for European Airspace Co-ordination (CEAC) to examine these letters, has not yet decided in what form he will submit his comments.
