Arrangements for the Private Meeting of the
Council to be held on 4th September, 1959

Reference: PO/59/1127

In order to restrict attendance at the private meeting of the Council to be held on 4th September, delegations are requested to limit the number of advisers attending the meeting to four. Thus, each delegation would have one or, if the Foreign Minister is present, two seats at the table and four seats for advisers to sit behind their Minister and Permanent Representative.

2. Applications for passes giving access to the security zone for Foreign Ministers and their advisers should be made to M. Hoebeke, Head of Security Service (Room 305), as soon as possible. No special passes will be issued to give access to the Conference Room.

3. Sufficient parking facilities will be made available for Ministers' cars and cars of delegations. No parking labels will be issued. Further details will be given in a note to be circulated shortly by the Administration.
