COMMITTEE ON THE ANNUAL REVIEW
QUESTIONNAIRE TO BE ADDRESSED TO
THE GERMAN FEDERAL REPUBLIC FOR THE ANNUAL REVIEW

Note by the Secretary

In accordance with the decision of the Committee on the Annual Review at its meeting on 22nd July 1952 (AC/19-R/8, para.20), the Secretariat has completed a modified version of the Annual Review Questionnaire for the German Federal Republic.

2. This questionnaire (ARQ(52)A) is being circulated today to all Delegations for their comments. Delegations are requested to notify any corrections they wish to make to this document to the Secretary not later than 12.30 p.m. on Wednesday, 6th August, 1952.

3. The document will then be amended to take account of corrections received, and will be sent to the Interim Commission of the EDC Conference for transmission to the German Federal Republic.

4. Only the original French text is being circulated to Delegations for comment, which is the text that will be sent to the Interim Commission. An English translation will, however, be circulated to Delegations, as soon as possible after Delegation comments on the French text have been received.

5. The distribution of ARQ(52)A to NATO Delegations in both French and English has been set at about 25% of the number of copies they received of ARQ(52), since ARQ(52)A will be required only for information and not for action. Extra copies can be supplied on request.
