NATO INTERNATIONAL INFORMATION MEETING

12th-14th April, 1951.

Resolution on the NATO Information Service Programme,
Future Meetings and Liaison

The national information officials from NAT countries, at their conference in London 12th-14th April, 1951, unanimously:

- (1) welcome the emerging NAT information programme and give assurance of their support and co-operation in their respective countries;
- (2) thank the NAT Information staff for arranging this useful conference and suggest that other such conferences be called in the future; and
- (3) state that they would welcome frequent visits from members of the NAT Information staff to further the interchange of ideas and materials of mutual usefulness.
