18 February 1966

MEMORANDUM FOR: The Supreme Allied Commander, Atlantic  
The Allied Commander in Chief, Channel

SUBJECT: Corrections to ACP 100 NATO SUPP-1

Reference: SACLANT SER: 2610/ACP 100/NATO/882, 22 Jul 65

1. The reference contained a translation of letter 510 EMM/TER, 19 May 1965, of the Chief Naval Staff, Paris, in which it was requested that an allocation of 16 AIGs from ACP 100 NATO SUPP-1 be made to CECLANT. Chief of Naval Staff, Paris, also stated that this request had been made to CINCHAN, who had informed him that AIGs could only be allocated by CINCHAN to authorities directly under his command.

2. Recognizing the validity of CINCHAN's statement, it is nonetheless considered that inasmuch as the addressees of the proposed AIGs consist of CINCHAN, subordinate Channel Commands or commands within the geographical confines of Channel Command, it would be of benefit to all concerned if CECLANT was assigned the required AIGs from the block allocated to CINCHAN.

3. A study of ACP 100 NATO SUPP-1 indicates that SACEUR has made similar assignments from his block of AIGs to certain national authorities within, but not under, his direct command.

4. In view of the above, it is requested that CINCHAN reconsider his position. Should assignment of AIGs to CECLANT be concurred, it is requested that the Standing Group and SACLANT be advised of the AIGs selected.

5. Upon receipt of the AIGs selected by CINCHAN for assignment to CECLANT, it is recommended that SACLANT promulgate the necessary amendment to ACP 100 NATO SUPP-1.

6. The address composition of the AIGs requested by CECLANT, is attached at Enclosure 1 hereto for consideration.
