MEMORANDUM FOR THE MEMBERS OF THE MILITARY COMMITTEE

SUBJECT: Special Meeting of the Military Committee, 22 April

1. At the 14th meeting of the Military Committee on 17 April, it was agreed that a special meeting of the Committee should be convened to consider a DRC paper on Guidance for the NATO Military Authorities for the Preparation of Force Proposals for the Period 1971-1975 when a suitable version became available. At the DRC meeting on 17 April a new version of this paper(1) was discussed. It was announced that no further version of this DRC paper would be produced and that the next stage would be to issue a paper for DPC consideration resulting from discussion of this draft in the DRC.

2. It is therefore considered that the Military Committee should hold a Special Meeting to discuss this DRC paper together with a report on amendments agreed to it in DRC discussion. In view of the fact that the Military Committee is to be briefed on Civil Defence at 1000 hours on Tuesday, 22 April, the Chairman has decided to convene such a meeting immediately following the completion of this briefing (Dress Optional).

3. A DRC paper on Political Control of the "On-Call" Allied Naval Force for the Mediterranean(2) is also expected to be available for discussion by the Military Committee at this special meeting.

4. IMSWMs will be issued commenting on both these DRC draft papers.
