From: Deputy Secretary General

SHAPEX 60

General Norstad has decided to alter the dates provisionally chosen for SHAPEX 60 (26th-29th April, 1960), owing to the Summit Meeting in May. The dates now proposed are from 21st-24th June, 1960, and they have been confirmed with the various military headquarters concerned.

2. The agreement of the Council on these dates is now requested by General Norstad, so that a firm announcement may be made.

3. I understand that an early reply would be very welcome to SHAPE, in order that indispensable organizational arrangements may be made without delay. In the circumstances, I should be grateful if a reply could be given to my office (extension 2557) by Thursday, 28th January.

(Signed) A. CASARDI
