18 November 1952

MEMORANDUM FOR THE STANDARDIZATION POLICY AND COORDINATION COMMITTEE

SUBJECT: The Assignment of Short Titles or Reference
Numbers to NATO PublicationsReferences: a. SGM-737-52
b. SGM-963-52
c. MASEC 37

The enclosed document from the Military Agency for Standardization (MAS(52)20), dated 4 November 1952, containing a proposed system for the assignment of short titles or reference numbers to publications for NATO use, in accordance with references a and b above, is referred to the Standardization Policy and Coordination Committee for study and recommendations to the Standing Group. In view of the limited number of copies received, the enclosure has been circulated only to members of this committee, and a copy retained in the Records Section.
