ADVISORY FROM NATO PRESS SERVICE

We are advised by the U.S. Mission to NATO that Ambassador Paul H. Nitze, special adviser to President Reagan for arms control, will hold a news conference immediately after briefing the North Atlantic Council tomorrow, Thursday, 10 September, in the Luns Theatre at NATO Headquarters.

Ambassador Nitze is expected to begin the news conference at about 11:30 a.m. and media wishing to attend should be seated in the theatre by that time.
