

PO/67/583

3rd August, 1967

Dear Mr. Ambassador,

You will recall that at the meeting in Koenigswinter, Germany, on 21st July of the rapporteurs of the four Sub-groups of the Special Group on the Future Tasks of the Alliance, it was agreed that Mr. Paul-Henri Spaak should draw up an outline for the report to Ministers of the Special Group on the Future Tasks of the Alliance. This outline was intended to represent no more than a suggestion as to the way in which the reports of the four Sub-groups might be put together, since Mr. Spaak and the other rapporteurs understood that it was the prerogative of the Special Group itself to determine the content and order of the final report.

Enclosed is a copy of Mr. Spaak's outline, together with a translation. May I ask you to forward these enclosures to State Secretary Schuetz.

Sincerely yours,

James A. Roberts
