METHOD OF SHARING COSTS OF SACLANT HEADQUARTERS

Note by the Executive Secretary

On the 30th January, 1952 the Council Deputies instructed that the Working Group considering the method of sharing costs of the SACLANT Headquarters should meet again for the purpose of considering a proposal by the U.S. Delegation.

This proposal is shown below and the Working Group will meet at 10.30 a.m. on Wednesday, 6th February, 1952.

(Signed) N.E.P. SUTTON.

PROPOSAL BY U.S. DELEGATION

The U.S. Deputy proposes that the ad hoc Working Group on the sharing of the costs of SACLANT Headquarters be instructed to seek a solution on the distribution of costs on the basis of the following principles:

- (a) All construction and communications capital costs shall be borne by host governments;
- (b) All other costs shall be shared in accordance with the percentage distribution now applicable to SHAPE operating costs.
