TITLE OF PERMANENT DELEGATIONS

Note by the Executive Secretary

At the Council Deputies' meeting on 19th March, 1952, the Canadian Deputy said that his Government thought it was desirable that uniform titles should be adopted for the permanent delegations to the Council, and proposed that the following form be used: "Permanent Delegation of Canada to the North Atlantic Council". The head of the delegation would be called "Permanent Representative".

The Council Deputies agreed to take a decision on the proposal at their next meeting.
