NATO RESTRICTED

AD HOC COMMITTEE ON SPECIFIC QUESTIONS IN
THE NATO PERMANENT HEADQUARTERS

Report by the Chairman

The Committee held its second meeting on 4th December, 1959, and approved a document, prepared by the International Staff in accordance with the Committee's instructions, setting out the security procedures to be observed in common by delegations and the International Staff in the Permanent Headquarters.

2. The Committee considered that with the issue of this document the purpose for which it had been created had been largely accomplished. It was nevertheless agreed to hold a further meeting approximately one month after the occupation of the Permanent Headquarters in order to review the operation of the security system as a whole and to make such amendments as might appear necessary in the light of practical experience.
